THE HEN AND THE COW

(IT'S ONLY A DREAM OF THE PAST)

ONE STEP MARCH

Mandolin Solo (1st)

Pub. for regular Orchestra in the same key

By GEO. W. MEYER

Arr. by Zarh Myron Bickford

What's become of the hen who laid her eggs when A dozen you'd get for a quarter?
Oh, where is the cow That used to allow Her milk to be sold cheap as water?
What's become of the price? That once was so nice When mother was only a daughter?
Where's the telephone girlie who would late or early Secure you a number real fast?
Like the hen and the cow She's not with us now It's only a dream of the past
